# DELIGHT AS HALL SAVED FROM RUIN

A PARISH hall has been saved from potential ruin after committee members gained charitable status for the century old building.

Wribbenhall Parish room committee applied to the Charity Commission last October in a bid to gain charity status for the premises which are desperately in need of repair.

The committee, made up of local supporters and members of All Saints Church, Bewdley, is now keen to start fundraising after receiving the good news last Friday.

Members are also waiting for the final papers to be drawn up to secure the lease of the 100-year-old building from the Diocese of Worcester.

Committee chairman Elizabeth Davies said: "It is absolutely great that we have achieved this status.

"We can now go ahead and do what we want which is to bring the hall back to life and make it the centre of the community once again.

"I can also confirm that the lease is en route and solicitors are negotiating, which really is a huge step for the committee after months of hard work.

### Eager

"This hall was given to the community and now we have this status it has opened a vital door for us in ensuring that it is here for the next generation of users," she added.

"We are very eager to start fundraising and get grant applications processed to give us the funds to start work as soon as possible."

A number of local groups and organisations, including Guides and Scouts, a pensioners dance group and sports classes, all use the hall which dates back to the early 1900s.

Without charitable status funding for repairs would have been limited, putting the future of the hall and local groups in jeopardy.

The makeover will also include a new toilet block and up-to-date heating system.

Committee member and press officer Anne Mace said: "This facility was given to the community way back and now we are one step closer to being able to make it even better than it once was.

"The hall is in urgent need of renovation and has been for quite a while. It is a relief to know that we can build a brighter future for it.

"The work that is carried out will all depend upon the money that is raised, and we are currently drafting out ideas for the refurbishment. It is wonderful to have been given this boost to get us off the starting block."

Members will meet next week to discuss possible grant applications.

The committee will be hosting its first fundraising event on Saturday, April 2. Details from Anne Mace on 01299 402204.

## Hairs a funny thing – Ginny loses locks

## Close call gives boost to charity

KIDDERMINSTER caretaker Ginny Chatwin is feeling the chill – and no thanks to the weather.

Ginny baldly went where few have gone before when she decided to have her head shaved for charity.

Ginny, a caretaker at Worcester College of Technology, aimed to raise £500 for the charity Macmillan Cancer Support – but made double.

The charity has supported several of her close friends and families tackle the illness.

"After being quite calm beforehand I was surprised how emotional I was when I finally saw myself in the mirror," she said.

"I also found it very humbling at the number of people who donated, especially those who didn't know me.

"My daughter isn't impressed, but supports my reasons for doing it.

"Some people are horrified and others are all for it. For women I suppose it's a big thing, but the way I see it my hair will grow back – cancer is not that forgiving."

The big event took place last Friday at Fountains salon in Barbourne, Worcester. The salon, part of the college, is usually used to train aspiring hairdressers.

Lecturer Debbie Plaskitt who was given the honour of carrying out the shave, said: "In the years that I've been cutting hair I have never shaved a lady bald before. It was very strange."

Ginny's fundraising now continues as several of her colleagues are offering to sponsor her to wear ridiculous hats as her hair grows back!

To back Ginny, visit http://www.justgiving.com/Ginny-chatwin.

For college information or to book an appointment at Fountains Salon call 01905 725648.

Apprehensive Ginny Chatwin waits as Debbie Plaskitt prepares to ply the shears

Bold and bald – Ginny sports a new shiny dome as colleagues look on after the deed was done at Fountains salon, Barbourne, Worcester

## Date set on waste scheme

A DATE has been set for the planning application on the controversial incinerator at Hartlebury.

It will be considered by the county council's planning and regulatory committee on Tuesday, March 1 in Worcester – and will be webcast for live online viewing.

The application for the £120million energy-from-waste facility on Hartlebury Trading Estate was made by Mercia Waste Management.

It was subject to two public consultation periods last year, including an extended 12-week one to ensure that local people could have a say.

Diane Tilley, director of planning, economy and performance at Worcestershire County Council, said: "We've followed a clear and detailed process to reach the stage when a report about the application can be presented to the committee.

"We've undertaken a great deal of consultation and technical analysis so we're confident that a thorough and comprehensive report can be provided."

The plans have been opposed by many residents.

## Robbery victim is KO'd

THE victim of a robbery in Kidderminster was knocked out in the assault.

The man, in his 50s, had just walked into the subway between New Road and Stourport Road when he felt a tap on the shoulder.

As he turned he was attacked and fell, banging his head and losing consciousness.

He woke to find his wallet on the floor with cards and cash missing.

The man was taken to Worcester Royal Hospital suffering from head injuries and was placed under observation.

The attack happened at about 6.30pm on Monday, January 24.

## Damage fears on new Tesco

A RESIDENT opposite the proposed new Tesco supermarket in Stourport has expressed serious concerns that her home will be damaged during its construction.

Sandra Crawford, of Severn Road, was asked to fill out a property survey in case anything happens during the development of the store.

Plans for the building were recommended for approval by Wyre Forest District Council earlier this month.

Tesco says the survey is standard practice, but Mrs Crawford was "very, very concerned" with the planned store only yards from her home.

She also said the council had ignored residents' fears.

### Vibration

The new supermarket will be built on the former Carpets of Worth factory site.

Mrs Crawford said: "The position of our house is such that we get a lot of vibration from works across the road.

"When Carpets of Worth was demolished some parts were shaking at times.

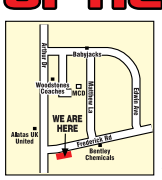

"I'm very, very concerned that something will happen."

Mrs Crawford, a Severn Road resident for 30 years, said people in the street had voiced their concerns about the proposals to no avail.

Councillor Stephen Clee, cabinet member for planning and economic regeneration at Wyre Forest District Council, said the layout, scale, appearance, landscaping, siting and access had all been considered and approved. Neighbours were consulted by letter and there was a three-day public exhibition held in Stourport by Tesco to get residents' views, he added.

Tony Fletcher, Tesco corporate affairs manager in the Midlands, said: "It's extremely unlikely that any cracks will appear in Mrs Crawford's property, or any damage caused. This is simply standard practice."

## Cutting the cost for baby

A PARENTING charity is looking to cut the cost for mums and dads in Wyre Forest.

Becoming a parent is an exciting time – but can also be a costly one.

Now the NCT is giving parents an alternative to forking out for new products and also allowing them to be greener.

The charity's Kidderminster and District branch is holding a nearly new sale on Saturday, February 5 at Stourport High School in Minster Road.

It will run from 11.30am to 1pm with admission £1. NCT members with a valid card can get in at 11am.

Branch publicity officer Cathy Hines said: "Whether it's cots, prams, toys or clothes, nearly new sales should have everything you need."

## Dozen trees are planted

A DOZEN trees have been planted on a Kidderminster estate to replace those chopped down last summer.

The parks and green spaces department from Wyre Forest District Council planted the five-year-old oak trees on Captains Pool Road, Spennells, last week.

Councillor John Aston, ward member for Aggborough and Spennells, said some of the felled trees were diseased while others needed to be thinned out.

"It's nice to see that those have now been replaced," he added.

# New appeal for help as husband fights cancer

A BRAVE Kidderminster man who was given only weeks to live is still fighting a rare form of cancer more than six months later – but says a "revolutionary" treatment is his last hope.

Friends of Paul Grubb have launched a campaign to pay for the treatment, available only in Germany. So far they have generated £3,000 from discos, quizzes and pool tournaments – and are now appealing for more help.

The couple's wedding day

Last June Mr Grubb was diagnosed with advanced cholangiocarcinoma and given only weeks to live. The Gorter Model of treatment combines traditional cancer therapy with a new treatment that tries to build up the immune system.

Mr Grubb, aged 36, has undergone gruelling hour-long treatment sessions in Germany where stents have been inserted into his liver.

### Loan

Though the results of the treatment are unclear, Mr Grubb's family say it is his "only hope".

He has already been given a two-month course at Medical Center Cologne, which he paid for by taking out a £10,000 loan. But he returned home after Christmas and does not know if he will be able to return.

His wife Magda, aged 25, said: "We think the treatment was helping him but we ran out of money so we had to come home.

"Paul is very weak at the moment and we don't know if we will be able to go back.

### Shame

"It is a shame because he has been doing so well and no-one thought he would last longer than a fortnight.

"If we can raise any money we could go back."

Mr Grubb, of Baxter Gardens,Kidderminster, was diagnosed only a month after his wedding to Magda.

A website www.funding forpaul.co.uk has been set up asking for donations.

Cancer patient Paul Grubb and his wife, Magda, who were married last year

## Banned drinker in order breach

A WOMAN who was the first to be barred from every pub in Britain fell off the wagon – just days before the airing of a television show about how she quit drinking.

Laura Hall was issued with a Drinking Banning Order (DBO) by magistrates in Kidderminster last April.

But eight months later Hall, who appeared in a BBC3 programme this week about her struggle with alcohol, was found lying drunk in the road, say reports.

She was fined £75 when she appeared at Worcester Magistrates' Court last week to admit being drunk and disorderly and breaching a two-year drinking banning order, the reports say.

### Progress

The television programme followed her progress through a gruelling detox regime at a clinic in Portugal, after which she vowed to have given up drinking.

In a magazine interview publicising the programme – Laura Hall: My Battle with Booze – the unemployed 21-year-old said: "Rehab has turned my life around.

### Cringe

"I cringe at photos of me drinking now."

The banning order, lasting for two years, forbids her from drinking or buying alcohol in pubs, nightclubs, membership clubs or hotels.

It also covers shops and off licences.

The order also required Hall, of Tythe Barn Close, Stoke Heath, Bromsgrove, to undertake an approved course to tackle her alcohol-misuse issues.

# Tributes paid to woman who died from pneumonia

A 21-YEAR-OLD Kidderminster woman died in bed from pneumonia less than two days after falling ill with flu-like symptoms.

Lisa Wimbush's mother, Amanda Tovey, lay next to her bed through the night and raised the alarm when she did not wake up the next day at the home they shared in Trimpley Drive.

An inquest at Stourport on Wednesday, January 19 heard that Lisa, a volunteer at the British Heart Foundation shop in Kidderminster, died on November 25 from acute bronchopneumonia.

A verdict of natural causes was recorded.

Lisa Wimbush died from pneumonia just two days after falling ill

## Uncle

Tributes to Lisa flooded in after her sudden death, with more than 100 messages posted on social networking site Facebook.

They were summed up by one saying "things like this aren't meant to happen to such nice people so young".

Lisa's uncle Steve Jones, aged 52, formerly of Cinder Bank, Netherton, but now of Whaley Bridge, Derbyshire, said: "It's very scary that it could have happened within 48 hours of her feeling ill."

Mr Jones said that he, his wife Lesley, and Lisa's 49-year-old mother all wanted to praise Kidderminster police and the coroner's office for the way they had dealt with the family.

"They were efficient but also extremely compassionate – we think they went beyond the call of duty and can't thank them enough," he said.

Lisa, a former pupil at Wolverley High School, near Kidderminster, was described by Mr Jones as a "very quiet and always polite" girl who loved dogs and had brought up her border collie, Inca, from a puppy.

"We didn't realise just how many friends she had until the funeral – about 200 were there, many of which she used to talk to every night on Facebook," he said.

Christine Jones, manager of the British Heart Foundation in Kidderminster, said: "Lisa had only been volunteering with us for four or five weeks – she was a volunteer on a work placement for people who are unemployed.

"She was a lovely girl and she looked after the shoes and handbags in the shop.

"We were devastated and shocked when she died."

Donations in lieu of flowers at her funeral last month raised £255 for the British Heart Foundation.

A collection by postal staff at Cleobury Mortimer, colleagues of Lisa's father Paul Wimbush, who lives in Cleobury, brought in a further £100 for the cause.

# Flower power making a Pact

POLICE are using flower power to communicate with residents.

Officers are branching out to hold Pact (Partners and Communities Together) surgeries at two Wyre Forest garden centres.

Customers will be able to meet the Kidderminster rural local policing team, discuss crime prevention issues and pick up advice leaflets.

CSO Kate Easthope and Pc Jayne Willetts will be in the restaurant area of Barnett Hill Garden Centre, near Blakedown, from 5-7pm on Wednesday, February 2 and then on the following Wednesdays: April 27, June 8, August 17, October 12 and December 7.

## Tills

And they will be by the exit tills at Rowberrys Garden Centre near Chaddesley Corbett on Sunday, February 13 from 3-5pm, followed by Saturday, April 9 between 10am and 12 noon; Saturday, June 4 from 11.30am-1.30pm; Sunday, August 14 between 11.30am and 1.30pm; Saturday, October 22 between 11.30am and 1.30pm, and Sunday, December 4 between 11.30am and 1.30pm.

CSO Easthope said: "We have already done occasional surgeries at both Barnett Hill and Rowberrys which were very well received by customers, so we thought it would be good to hold them on a regular basis."

# It's 29 challenges down, one to go

A WYRE FOREST communications agency has marked its 30th anniversary with 30 challenges.

And all but one of them has been completed.

The targets of the drpgroup, from Hartlebury and with an office in London, included 30 awards, 30 per cent profit increase, 30 customer improvements and 30 environmental projects. Its only near-miss was the challenge to take on 30 new staff. The posts have been created but 12 have yet to be filled and the group is keen to hear from people interested in the areas of project management, technical services, video and digital media.

The 30 community projects saw employees sleep rough overnight to raise awareness of homelessness, host an activity afternoon and barbecue for disabled children, support the landscaping of a special school's garden and raise £4,000 for Macmillan Cancer Support by climbing the three highest peaks in the UK in 24 hours.

Another achievement was the completion of 30 environmental improvements, including reducing the number of print cartridges, paper and batteries used, as well as general energy usage. The group also offered clients the option to pay for carbon offsetting for all events.

Managing director Dale Parmenter said: "I am tremendously proud of our achievements this year." Anyone interested in the jobs on offer should call 01299 250173 or email talent@drpgroup.com

# Full review launched on sport and leisure

SPORTS and leisure provision in the Wyre Forest is to get a wholesale review.

The council move comes because its management deal with Wyre Forest Leisure Community Association Ltd runs out in March 2013.

Wyre Forest Glades Leisure Centre, Stourport Sports Centre and Bewdley Leisure Centre are all currently managed by WFLCA in partnership with Wyre Forest District Council.

The review is being launched in time for all options to be considered fully.

Councillor Tracey Onslow, cabinet member for community and partnership services said the council is proud of the leisure centres and the part they play in community health.

"The council subsidises local leisure centres by £1.2million per year, a figure set to increase year-on-year, in part due to the age of the leisure centre buildings," she said.

### Future

"As the current partnership agreement will be ending in March 2013, this is the ideal time for Wyre Forest District Council to explore a range of ways to enable leisure centre provision for Wyre Forest and to invest in sustainable facilities for the future."

The council has been delighted with the partnership arrangement which has run since April 2003, reckoning it saves the authority half a million pounds a year.

The review will involve all partners and it is hoped that options will be tabled for scrutiny by a cross-party panel of councillors by the spring.

Results will then be available for public consultation.

## Parking passes may yet be kept

PARKING passes set to be axed on a Wyre Forest car park under controversial changes should be kept, a panel of councillors has recommended.

Wyre Forest District Council is considering the second phase of its proposals to alter charges at car parks across the district.

The plans have now been discussed by a parking review panel and recommendations put forward.

They were being considered by the council cabinet as the Chronicle went to press.

The panel wants restricted parking passes to remain in place at Dog Lane, Bewdley, rather than be scrapped as is presently planned.

### Advance

The passes allow drivers to pay in advance to use the car parks and can be applied for by anyone.

But they have taken on a greater importance for residents in Dog Lane and Severnside North, who do not have parking spaces outside their homes.

These people have to leave vehicles on car parks.

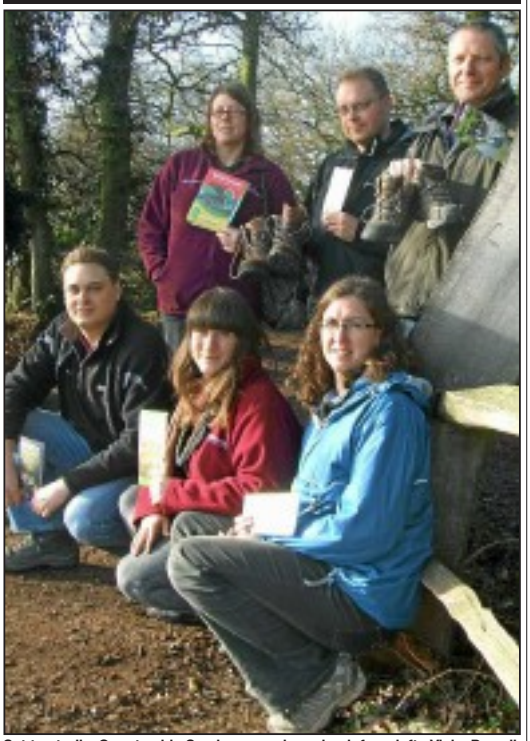

Residents' passes previously available to them were controversially scrapped last year and householders now have to use the parking passes, even though they do not guarantee them a space.

Under present plans the permits would only stay in use at the nearby Gardeners Meadow car park.

But the review panel said this would clog those spaces with permit holders.

The panel has also recommended that investigations be made into the possibility of another organisation taking over the day-to-day running of the Horsefair car park in Kidderminster.

## Mapping it out for walkers in county's great outdoors

Set to stroll – Countryside Services members, back from left: Vicky Powell, Phil Coulson and Rob Deri. Front: Ian Barnes, Stacy Sutton and Fiona Argyle

WYRE FOREST residents are being encouraged to take to the great outdoors for 2011.

Anyone looking to shed a few pounds in 2011 can start (or continue) their fitness drives by exploring thousands of miles of walkways around Worcestershire, says the county council.

Leaflets are available with details of specific marked routes suitable for absolute beginners to the more experienced.

They include the Habberley and Ribbesford routes in Wyre Forest. Brochures with information on the Severn Way from Stourport and the North Worcestershire Path are also available to purchase.

Further details in the Explore the Countryside section at www.worcestershire.gov.uk/countryside webpages. All of the free publications can be downloaded or people can call the Worcestershire Hub on 01905 766493 for copies.

## Car wash for good causes

A CAR WASH in aid of firefighters' charities will be held at Kidderminster Fire Station on Saturday (January 29).

It will take place at the station in Castle Road, Kidderminster, between 10am and 2pm.

The aim is to raise money for the Fire Fighters Charity and the Young Firefighters Association.

Caroline Webster, community safety adviser for Hereford and Worcester Fire and Rescue Service, said the Young Firefighters from Kidderminster would also be at the event, helping to wash cars and handing out fire safety leaflets.

"We hope that local people will call by on the day," she said.

## Canal festival is poised for date switch

COLOURFUL boats will return to the heart of Kidderminster for a second celebration of the town's waterways, it has been announced.

Kidderminster Canal Festival has been confirmed as taking place for a second year.

The event will be staged in the town on May 28 and 29.

Heritage and trading boats are again expected to line up along the canalside at Weavers Wharf for the event.

Organisers are also seeking permission for a street market to be set up along the High Street and around Weavers Wharf after one proved successful during last year's staging.

In addition, they hope to expand the event by setting up a concert on the Saturday evening, although details have yet to be confirmed.

The event was held for the first time last year and attracted hundreds of visitors to the town at the end of August despite heavy downpours for most of the event.

### Learning

This year it is being staged earlier to tie in with the Bank Holiday weekend in late May.

Kidderminster town centre manager Jackie Roberts said: "We are hoping to build on the most successful activities at last year's festival, which was very much a learning curve."

# Riddle of lion seen on the loose

PUZZLED police carried out a search of a village near Kidderminster after a report of a lion on the loose.

The sighting was reported to police in the village of Cookley by a member of the public.

The animal was thought to be a lion or some other big cat.

Officers were sent to the scene and a count was carried out at the nearby West Midlands Safari Park.

But nothing was found and the safari park said none of its animals was missing.

Police spokeswoman Lynne Masters said: "We did a search but could not find any trace of it."

Bosses from the park said they had also received calls following the sighting.

It was reported on the night of Tuesday, January 18.

AT SPECSAVERS YOU CAN GET A HEARING AID NOBODY WILL NOTICE

EVEN YOUR BANK MANAGER

Most people who need a hearing aid worry about how it will look, and how much it will cost. At Specsavers, the latest miniature technology means that even those closest to you will notice the improvement in your hearing, but not your hearing aid. As for the cost, we offer outstanding value for money, with our complete digital hearing package from just £495.

**To book a free hearing test call your local store or find out more at specsavers.co.uk/hearing**

# Thieves and vandals launch car attacks

THIEVES and vandals have launched a spate of attacks on cars in Stourport.

Several instances of thefts and criminal damage have taken place within a week. They include:

**A sat nav** worth £300 stolen from an insecure Rover 414 in East Road between 8pm on Monday, January 17 and 9am on Wednesday, January 19.

**A window** broken on a Rover 200 in Mart Lane between 4.30am and 4.50am on Wednesday, January 19, causing £75 damage.

**Bodywork** on a Mazda coupe in York Street, damaged by a brick or stone between 12.30am and 8am on Tuesday, January 18.

**The window** of a Volkswagen van being smashed, causing £100 damage, and a sat nav worth £180 stolen from it in Baldwin Road between 5.45pm on Monday, January 17 and 7.45am the following day.

**A Peugeot 206** being broken into and £2 stolen in Lodge Road between 5pm on Saturday, January 15 and 10.30am next day.

**The window** of a Volkswagen Golf being smashed with a brick, causing £200 damage, in York Street around 1.20pm on Wednesday, January 12.

Another sat nav was stolen overnight on Thursday, January 20 from a Mitsubishi Outlander in Parkes Quay.

Pc Jon Harris of West Mercia Police said: "Thieves will go window shopping and will break into vehicles where sat navs, and other valuables like laptops, handbags, purses, and cameras, have been left on display.

"They will even break into vehicles for the couple of pounds in loose change some drivers keep in there to pay for parking."

As well as ensuring vehicles are locked and the alarm is set if there is one, owners are reminded always to remove sat navs and other valuables whenever vehicles are left unattended.

They should also remove the suction mounted fittings of sat nav cradles and erase any marks.

## Forensic

It is also recommended that sat navs and other valuables are security marked using forensic property marking kits or UV pens, and registered on the Immobilise national property database – www.immobilise.com

Vehicle owners can also display a "Stop – all valuables have been removed" postcard in the windscreen. These can be downloaded from the West Mercia Police website. Visit www.westmercia.police.uk

West Mercia's Sat Nabbed campaign aims to reduce the number of thefts of sat navs by promoting crime prevention advice. More information can be found on the website.

Anyone with information about is asked to contact Pc Harris at West Mercia Police on 0300 333 3000, or ring Crimestoppers anonymously on 0800 555111.

# Baby Joey pops up with surprise

STAFF at West Midland Safari Park thought they had seen the first baby of the new year when a little wallaby appeared.

An influx of youngsters at the Bewdley attraction is customary from February onwards, when the weather is warmer. But the wallaby – or Joey – caused something of a stir when popping up to face the cold.

Closer examination revealed that the little one had probably arrived two months ago.

Bob Lawrence, the park's director of wildlife, said: "It is certainly unusual to see a Joey this early in the year, given that it has been such a harsh winter.

"It is likely that the wallaby was born early November, hidden from view and thriving in Mum's pouch."

The mob of 23 adult White Bennett's Wallabies at the park are descended from animals given as a gift to Queen Elizabeth II during a visit to Australia in 1962.

Is it spring yet? The baby wallaby braves the cold

# Butchers hope sausage will sizzle in the big final

A BEWDLEY banger firm was taking on its West Midlands rivals in a grand sausage final today.

Bewdley Quality Butchers romped home in the Worcestershire section of the West Midlands Tastiest Sausage contest in Ledbury last Thursday.

Its Bewdley Banger won the breakfast sausage category.

Today (January 27) it was tackling rival winners from Shropshire, Staffordshire, Herefordshire, Warwickshire and Birmingham and the Black Country at the Mailbox, Birmingham.

This is the 10th annual West Midlands Sausage Competition run by Heart of England fine foods (Heff) in association with cooker firm Aga.

In the county championship, judges tasted 25 sausages from butchers across Worcestershire.

While the Bewdley entrant took the breakfast section Teme Vale Victuallers, Worcester, won the speciality category with its Thunder Bangers including pork, bitter and chilli.

Heff was formed in 1998 to promote and raise awareness of food and drink across the region.

# Region worst hit as jobless figures go up

THE West Midlands is the nation's unemployment blackspot as jobless queues increased by 49,000 to 2.5 million nationwide.

While figures rose and fell in regions across the country, unemployment rocketed by 48,000 in the West Midlands in the three months to November.

But Kidderminster and the Wyre Forest did show a fall in the number of people claiming jobseeker's allowance.

Nearly one person in 10, or 264,000, is out of work in the West Midlands making it the hardest hit region anywhere in the country.

The nation's soaring jobless queues are partly due to 157,000 redundancies in the latest quarter.

The only bright news from the Office for National Statistics was a 4,100 fall in the number of people claiming jobseeker's allowance last month to 1.46 million.

In Kidderminster and Wyre Forest the number of claimants fell by 81 to 2,139 or 3.5 per cent.

The only other area in the region to show a fall was Birmingham where the number dropped by 229 to 45,523 or 6.8 per cent of the city's working population.

### Increases

Everywhere else there were increases in the claimant count.

In Walsall there was an increase of 172 to 9,782 or 6.1 per cent of the borough's working population, while in Sandwell there was a jump of 281 to 12,417 or 6.8 per cent.

Wolverhampton saw an increase of just five to 10,820 or 7.1 per cent of the working population and there was also a rise in Dudley, up 102 to 9,179, 4.8 per cent.

# New play explores students' dilemma

Choices – drama students Naomi Barrett, front, and Sharon Wells get conflicting advice

A NEW PLAY exploring the benefits of higher education is to tour Herefordshire and Worcestershire – including a date at Kidderminster.

"University... Why Bother?" has been devised by a group of University of Worcester drama students.

It comes at a time when students are facing a significant increase in tuition fees in England.

Four characters tell the stories of their journey into and beyond university.

Julie Fisher, outreach officer in the university, said: "'Why Bother' aims to challenge higher education stereotypes and encourage the audience to explore their own interests to discover the links to a whole range of future possibilities.

"The play's core message is about understanding the link between hard work and opportunity."

Drama student Sharon Wells, aged 35, said: "We think it will have an impact on the youngsters who see the play and hope that it will encourage them to at least consider that university could be an option."

The play will be staged at Baxter College on Friday, February 4.

## Man bailed on clothes theft

A MAN has been arrested after clothing was stolen from the changing rooms of a leisure centre.

The theft happened at the Wyre Forest Glades centre in Kidderminster in September.

The man was also questioned over alleged voyeurism at a Kidderminster restaurant on January 7. He has been bailed until March.

## Donor sessions

BLOOD donor sessions take place on February 4 at Trinity Methodist Church, Churchfields, Kidderminster (1.15-3.30pm, 4.30-7.15pm). Book on 0300 1232323.

# Tackling football in street

REPORTS on problems including youngsters playing football in the street will be given at the next meeting of Sutton Park Pact (Partners and Communities Together) in Kidderminster.

The meeting is on Wednesday, February 2, at the Greatfield Road Evangelical Church between 7pm and 8pm.

Panel members will report on what action has been taken over priority issues raised at the last meeting in November.

These involved complaints about youngsters playing soccer in Stretton Road; damage being caused to parked vehicles in Park Lane and hoardings on Parry Road obstructing the view for motorists at the junction with Sutton Park Road.

# Luisa cuts in for scholarship win

Hairdressing scholarship winner Luisa Bradley

A HAIRDRESSER from Kidderminster proved she's a cut above the rest after winning a place on a national scholarship.

Luisa Bradley, senior stylist at Elizabeth and Giovanni's salon on Hurcott Road, was nominated by her employers for a place on the annual Clynol Protégé Team for 2011.

Twenty-four finalists from across the country were put forward by their Clynol-approved salons and at the selection day in London on Monday, January 17, Luisa was chosen as one of the final six.

She will now embark upon a one-year scholarship which will see her work alongside celebrity hairdressers on some of the industry's most highly acclaimed photo shoots.

Luisa, of Spennells, has been hairdressing since she was 16.

Now 24, the former Hagley RC pupil said: "I am a very creative person and I am always willing to show new ideas, which is very important in this industry.

### Clothing

"It's also not just about the style but the care that goes in to creating it and how it sets off other features like the clothing and make-up.

"I am looking forward to finding out my start date and working alongside celebrity stylists to learn some top tips which I can then use at the salon in Kidderminster."

The final nominees were chosen on their skill and ability in cutting, colouring and styling.

Each had just one hour to shine by styling models in front of a judging panel of industry experts.

## Whittling away by the fire

A COUNTY environmental centre is inviting people to be creative around the campfire.

Bishops Wood Centre near Stourport is holding a whittling workshop to take place round an atmospheric campfire.

Whittling is the art of creating decorative objects from a piece of wood using a small knife. All materials used will be sourced from the county council centre's surrounding forest.

Tools, materials and instruction are included in the price of £70 as well as a locally sourced lunch around the fire.

Centre co-ordinator Gill Frankling said: "Bishops Wood is the perfect place to come and learn all about this ancient woodland craft."

The day runs on Wednesday, February 23 from 10am-4pm. Call 01299 250513.

## MPs to link up in a battle for jobs

WYRE FOREST MP Mark Garnier is to be the co-chair of a cross-party group of West Midlands MPs striving to bring new jobs to the region.

Dudley North MP Ian Austin has organised the new All Party Parliamentary Group on the economy of the West Midlands and will co-chair it alongside Mr Garnier and Solihull MP Lorely Burt.

The group has been set up to get MPs from all parties working together to raise issues affecting the regional economy.

It plans to invite business leaders, representatives from the new Local Economic Partnerships, presidents of chambers of commerce and other organisations to Parliament to push the West Midlands' case in Whitehall.

Mr Garnier said: "The economy of the West Midlands is fragile, but its success is important to the millions who live in the region."

# Bird catcher is fined by magistrates

A MAN has been fined by Kidderminster magistrates for catching a wild goldfinch.

Joseph Glyptis, aged 54, of no fixed abode, was fined £100 by the town's magistrates on Monday, January 19 for possession and control of a wild bird.

The charge was brought under the Wildlife and Countryside Act after the goldfinch, which was in a cage, was seized from Glyptis in the Bewdley area in August 2010. People who trap wild birds can be jailed for up to six months and fined up to £5,000.

Wildlife Officer Pc Julian Ward said: "Unfortunately we do have goldfinches and other wild birds being trapped for breeding in the Wyre Forest area.

### Smeared

"Offenders will typically use a type of glue called birdlime, which is smeared on branches to prevent the birds flying away. They will also use decoy cages, in which there is already a wild bird, to attract another wild bird, and then breed from the pair.

"Being put into a cage is extremely distressing for wild birds, which will sometimes beat themselves to death trying to get away.

"Anyone who sees cages in hedgerows, or sees a bird which does not seem to be able to fly off from a branch, is asked to contact us."

RSPCA spokesman Andy Robbins added: "We are delighted that the police take an active interest in wildlife crime."

## Gritters back on the road

GRITTERS have been out on the roads again after the return of the cold snap.

Worcestershire County Council's 31-strong gritting fleet went into action after the forecast of more snow.

Gritting was carried out on both primary and secondary routes last week as night temperatures fell below freezing point.

The council's winter maintenance teams monitors the situation with reviews of the weather forecast taking place several times per day, including during the evening and overnight.

Regular updates can be found on the county council's website, www.worcestershire.gov.uk, as well as its Gritter Twitter page, www.twitter.com/worcscc

The council has warned residents to take care on side roads and residential areas which are not on the main gritting routes, as they could be particularly difficult to negotiate.

# Jumbo effort as residents increase their recycling

Jane Hartill of Severn Waste Services and Councillor Anthony Blagg mark the success of waste recycling at the Kidderminster site

PEOPLE in Wyre Forest are putting in a jumbo effort with recycling.

Last year Stourport's household recycling centre saved 10,117 tonnes – the weight of around 50 Boeing 747 jumbo jets – from going to landfill.

The percentage of waste now recycled at the Minster Road site has soared from 48 per cent in 2005 to 73 per cent.

At Kidderminster's Worcester Road centre 6,694 tonnes of waste were diverted from landfill last year – the weight of 2,507 Mini Cooper cars.

Its recycling figure has risen from 45 per cent to 69 per cent.

Items accepted at Worcestershire's 11 centres include small batteries, textiles, shoes, foil fridges, energy saving light bulbs, televisions and tyres.

Some designated sites, including Stourport, are also able to accept asbestos.

The facilities are open seven days a week from 8am with Kidderminster closing at 5pm and Stourport at 6pm.

Councillor Anthony Blagg, Worcestershire County Council's cabinet member for waste and sustainability, was recently named as one of the region's Top 50 green leaders by Sustainability West Midlands.

He said: "We are committed to helping residents recycle as much they possibly can in Wyre Forest.

"These figures are very impressive but we are aiming to make things even better in the future."

# Pyjamas, Scooby-Doo and a peanut butter jar

I DECIDED a long time ago that I'm not going to grow up.

Next week is my 27th birthday and this further enforces my desire to be the Kidderminster Peter Pan.

Take the other Monday night when Rosie was working late. I spent the night in my pyjamas eating peanut butter from the jar watching episodes of Scooby-Doo on the internet. It's a tough life, this radio presenter malarkey!

We've been talking about random acts of childishness this week and I'm pleased that I'm not the only one keeping it (sur)real out there in Worcestershire!

Also this week on the Breakfast Show we've been talking about meeting your heroes. I met a comedian by the name of Ray Peacock last weekend, a stand-up I have loved in a very manly way for years and years. I got to shake the chap's hand on Saturday (and probably talk a little bit too fast and creepily to him) and he didn't disappoint.

Another reason to join me on the The Wyre every weekday from six: From peanut butter to celebrity encounters, you never know what we'll be talking about next!

Before I go I want to bend your ear about this: Worcestershire Rural Outreach Project offers support to small rural voluntary and community organisations. It can offer newsletters, factsheets, tips on recruiting volunteers and help to find out about grants.

If you are involved with or thinking of setting up a group which could benefit from this free service, funded by the Big Lottery, call Bromsgrove 837879.

Well, we've run out of words again! Don't forget, weekdays from six on 107.2 The Wyre. Nina will be doing the travel, Dani the news. We'll set you a placemat.

**If you need to contact 107.2 The Wyre or have a community announcement, email info@ thewyre.com**

## TOP TEN PLAYLIST OF WEEK

## WEATHER UPDATE

**Today will probably be cold, but at least should remain dry with the winds easing a touch.**

**It's more of the same going into the weekend, although the occasional spot of light rain is also possible.**

**Sporadic cloud breaks mean the odd sunny spell but frost at night remains likely.**

## DANI WOZENCROFT FROM WYRE NEWS WITH THE LATEST ROADWORKS

**Bringing travel updates to keep you moving . . .**

**Kidderminster**
Bus lane closure from A449 into Sion Hill, near Stourbridge Road today (January 27).

**Bewdley**
Winbrook Road has gas main work from Merricks Lane junction to Winbrook Mews until March 25.

**Blakedown**
A456 Birmingham Road has a 30mph speed limit approaching from Hagley until March 31.

**Redditch**
Washford Drive has temporary traffic lights until February 2.

Hewell Road has temporary traffic lights until April 5.

**Hartlebury**
Droitwich Road has water main work being carried out opposite The Old Coach House until today (January 27).

A449 Waresley to Torton Road has a 40mph speed limit and contra flow by the Old Worcester Road until April 1.

**Hindlip**
Traffic lights along Pershore Lane and Canal Bridge until February 18.

**Bromsgrove**
Traffic lights along Kidderminster Road until January 31.

**Ombersley**
A449 Main Road has a speed limit of 40mph and contra flow between Sinton Lane to Haye Lane until April 3.

**Join the team every weekday for updates on the roads. Tune into 107.2 The Wyre. You can be a Jambuster, call 0333 123 1072.**

# Jemma tells of anxiety struggle

CELEBRITY make-up artist Jemma Kidd has spoken for the first time about her struggle with panic attacks and how she found help from a Kidderminster businessman.

The 35-year-old revealed how she had suffered from crippling anxiety throughout her 20s until she and her sister, model Jodie Kidd, came across Kidderminster-based Charles Linden, and his programme for reducing symptoms.

"The attacks are so random and debilitating that you become fearful of the fear that they bring," she said.

"You start to anticipate them. I stopped driving on my own, I manipulated my life so that when I had to go somewhere, I had someone with me."

Kidd came across the website of Charles Linden, aged 42, a former TV producer, who suffered from chronic anxiety for more than seven years before developing a method of treating it.

She said she bought his book and CD and felt better "within days". She has since agreed to work with Mr Linden at his anxiety recovery retreats.

Mr Linden has helped more than 139,000 sufferers at the Linden Centre in Church Street.

He said: "We are very excited to have Jemma on board encouraging other sufferers to start their recovery."

# Local health pathfinders ready

The Wyre Forest board, back from left: Clare Nock, practice manager Stourport; Dr Paul Williams, GP Kidderminster; chief officer Simon Hairsnape and chief financial officer Brian Hanford. Front: Dr Tony de Cothi, GP Kidderminster and Dr Simon Gates, GP Bewdley.

THE new organisation to have responsibility for local NHS services in the Wyre Forest has been granted pathfinder status by the Department of Health.

The Wyre Forest GP Commissioning Consortium (WF GPCC) is part of the national pathfinders programme, meaning that it will test local arrangements before their formal introduction across England in 2013.

WF GPCC is one of the three new Worcestershire-based GP commissioning consortia which plan to take over from NHS Worcestershire by 2013. The pathfinders will manage their local budgets and purchase services directly.

Dr Simon Gates, Chairman of the WF GPCC Board, said: "Locally we believe that these will lead to better, more responsive services for local people."

# Two robbers drag driver from van

TWO MEN tried to rob a delivery driver after dragging him out of his van in Kidderminster.

But he escaped by knocking one of the robbers out of the way and driving off. Now police are appealing for witnesses and information after the incident in Trinity Fields, off the Birmingham Road in Kidderminster, at about 3.45pm on January 17.

The store delivery driver, who is in his 20s, had pulled over at the side of the road when the robbers dragged him out of the van and demanded money.

After being told there was none, one of the men then went to check what was in the back of the van.

The delivery man pushed the other one out of the way before jumping back into the van, which still had the engine running, and driving off. He was not hurt and nothing was stolen.

One of the offenders was black, aged about 25, six feet tall with stubble on his chin. He wore a brown knitted cap with a peak, navy coloured waist-length raincoat and dark trousers.

The other was white, around the same age and height, and had a thin face and thin build. He had very short cropped hair which was dark and gelled, and bushy eyebrows. He was wearing a green camouflage jacket and light blue, straight-legged jeans.

## Shaken

Dc Carron Chesterman said: "Although no-one was hurt the driver was left shaken up.

"This happened in broad daylight so there is a chance someone may have witnessed the incident."

Call Dc Chesterman on 0300 333 3000, or Crimestoppers anonymously on 0800 555 111.

## Choice

**THAT SUNDAY NIGHT SHOW**

(ITV1, 10.05pm).

What is particularly odd is the timeslot — the native land of programmes the Beeb broadcasts during the morning, yet I would in an evening after May be this is a better option, however — after all, we'd still be a little more awake and therefore more capable of taking part in all the Neil Morse, Gilbo + jones by former Downing Street aide Alastair Campbell and comedienne Jenny Eclair (an unusual if formidable double-act if ever there was one). They'll be helping other host Ortega the week's biggest news stories, using pallbearers, sandwiches and blogs as their guide.

**Wolverley CE Secondary School is a thriving and dynamic specialist Music college with the Church of England ethos running positively throughout.**

Children's learning in all aspects is placed drive for excellence. Teaching and learning are focused and enjoyable and take place in an orderly and supportive environment. This ensures

- We believe in success for everyone and in celebrating and sharing it.
- We believe in the highest standards of behaviour and work from our students.
- We believe that working closely in partnership brings out the best in all our students.
- We value all individuals and we practise giving all of our students every opportunity that can be created.
- We value learning and think it is exciting.
- We have a shared

We strive to incorporate our 6 key values of Love, Respect, Forgiveness, Gratitude, Belonging and Understanding in all that we do. We are extremely pleased that our students, whether they are Christian or not, tell us that our Christian ethos makes them feel a strong sense of belonging to a community, and of being cared for as an individual. They feel supported in forming their own opinions and arriving at answers to the big questions about life.

Our aim is to give all students the opportunity to

---

**ABBERLEY HALL**

*Excellent academic standards in a caring atmosphere and in beautiful surroundings*

- *Small classes*
- *Enhanced National Curriculum with a strong emphasis on reading, writing and arithmetic.*
- *Specialist tuition in PE, French, Drama, IT, Science & Music*
- *Nursery – Flexible hours, fully qualified teaching staff.*
- *Registered for Parent Grant*

**PRE-PREP & NURSERY**

*Started in 1977, the Pre-prep Department caters for boys and girls aged 2 to 8 years, attending on a daily basis.*

*We teach all National Curriculum subjects (English, Maths, Science, History, Geography, Religious Studies, Art, Music, Design Technology, Physical Education and IT), plus French and Drama.*

*Sound foundations in literacy and numeracy are crucial for a child's later progress and a high proportion of teaching time is spent on these two areas.*

*The children have swimming lessons in the school's heated pool and PE lessons and games in the Sports Hall. Judo, ballet and tennis are offered after school.*

*The children make good use of the 90 acres of grounds both as class activities and during their play time.*

*The school is open from 8.15am until 5.45pm. School Holiday Care and Courses available*

**01299 896275** **www.abberleyhall.co.uk**

---

***Welcome to Hartlebury Church of England Primary School. We are now in our fourth year as a primary school and we continue to build on our foundations. The School has made remarkable progress since its inception in September 2007 - OFSTED graded us 'Good' in June 2009 and in particular OFSTED singled out our unique creative curriculum. We are now striving for 'Outstanding' in all areas.***

We aim to help children become independent learners with most pupils responding well to praise and encouragement, and these are central to our teaching and communication. The School has a structured approach to delivering high quality education for your children. Working in partnership with parents we believe the guidelines for attendance and absence along with our literacy and numeracy school policies are a strong foundation to build upon. Our treatment of children individually and as a group will be positive and sensitive, but within a clearly understood code of behaviour. We intend this to foster tolerance and respect for others, and most importantly, a sense of self worth and the capacity to work as contributing members of our school and the community.

In addition to the National Curriculum we provide many extra curriculum experiences and opportunities for the children in order to ensure that they receive a broad and balanced education. Over the past year or so the children have participated in fencing, photography and horse riding opportunities through our creative curriculum. Netball, football, tennis, multi-skills are just a few of the sporting activities that we are able to offer whether during the school day or out of school. In particular our pupils were able to display vegetables at the RHS Chelsea Flower Show and the overall exhibit achieved a bronze award. School visits are another valuable aspect of school life whether within the local community or further afield. Our two school minibuses are in constant use.

The Governing Body has an important role to play in the life of the school. Governors are responsible for the strategic overview of the school and are involved in many aspects, such as curriculum policy, discipline procedures, appointment of senior staff and maintaining an overview of the school budget. Education is a partnership and it is important to us that we work together to ensure our children are getting the best chances school life can offer.

As part of a global cohesion programme supported by the British Council we have forged links with Mitanga Primary School in Tanzania. The initial partnership with Mitanga has already had an impact on pupils and staff at Hartlebury Primary School. They are beginning to see themselves as global citizens with a firm shared responsibility for others and for the environment. Pupils and staff in both schools now share a connectedness which will hopefully become even stronger in future through the use of pupil-pupil and teacher-teacher email and video conferencing. "The global village is becoming a reality."

Parental choice was a significant factor when the School's Adjudicator awarded the School additional pupil places. We currently have spaces Key Stages 1 and 2.

**We would be delighted to show you our facilities at Hartlebury Primary - just ring the school office on 01299 250312 and make an appointment.**

## Far Forest Lea Memorial Primary School

New Road, Far Forest, Nr.Bewdley, Worcestershire. DY14 9TQ
t: 01299 266316 e: office@farforestlea.worcs.sch.uk
www.far-forest-primary-school.ik.org

Far Forest Lea Memorial Primary School is situated on the edge of the beautiful Wyre Forest. It has a quiet rural location and wonderful, secluded grounds ideal for children to run, play and relax in.

The wooded grounds, large playing field and wildlife pond provide an idyllic backdrop for children to enjoy after working hard in the classrooms. Last year the school entered and won, Bewdley in Bloom in their category, and we will once again be holding our annual Summer Fair and Classic Car Show this coming June, thanks to our wonderful PTA.

As well as local children, Far Forest attracts pupils from across the area including the nearby towns and villages of Bewdley, Stourport-on-Severn, Cleobury Mortimer, Rock and Mamble.

A much loved village school, Far Forest is known far and wide by past and present pupils for the words "Feed my Lambs" – clearly visible on the front of the building. Happy children in an environment conducive to learning, prospective parents are invited to look around the school and speak with pupils and staff.

To make an appointment and to meet our Headteacher Mrs Tara Collins-Bullock, please call the school on 01299 266316 or email: office@farforestlea.worcs.sch.uk

*We look forward to meeting you!*

Developing independent learners

kumon.co.uk

# Kumon Is For Every Child

**Local children are getting a helping hand with their Maths and English thanks to an after-school education centre in Kidderminster.**

The Kidderminster Kumon Centre has been running at St Mary's Chantry for over nine years under the stewardship of Instructor Roz Lathe, a former maths teacher. Students from Kidderminster, Bewdley and Stourport attend the centre once or twice a week for around half an hour, and have worksheets to take away so they can keep up with their studies at home. Through this experience of ongoing support and instruction, the seeds of self-confidence are sown and children feel able to succeed by themselves.

Kumon is one of the country's leading supplementary education providers, with four million students worldwide and a record of excellence in Maths and English. Whatever their age or ability, we can help your child to excel in these subjects, simultaneously boosting their confidence in all areas of life.

As well as building speed and accuracy, Kumon Maths and English programmes develop abilities such as concentration and independent learning, time management and problem-solving: abilities which will prepare students for the future. Through working at their own pace over a period of time, children are given the self-assurance to reach their potential both at school and throughout life.

Michelle Irish is the mother of three Kumon students. She says:

"Kumon is not just about studying - it's a way of life. It instils confidence in my children and makes them believe they can do anything they set their minds to. In my opionion that is a key skill for life, not just Maths and English."

To find our more about how our Maths and English programmes can help your child, call your local Instructor Roz Lathe on 01299 871124 or email kidderminster@kumoncentre.co.uk. Alternatively, visit kumon.co.uk/kidderminster

**IN BETWEENIES** is set in a relaxed and happy family atmosphere with children learning through play, our staff are trained in Early Years Care and Education as well as Special Educational Needs. The high staff ratios and excellent standards of training mean top quality childcare for your child. Qualifications include Health and Safety, First Aid, Food Hygiene, Every Child a Talker, Speech and Language Development and much more! Both sites have excellent partnership links with health professionals as well as children centres and Bewdley has been awarded Silver in healthy early years along with an Excellent award in kitchen management from Environmental Health. We develop children's learning through play on a free flow basis between the indoor and outdoor environments and through activities based on children's interests and are currently in the process of developing a natural garden in Bewdley which will house a vegetable plot to grow our own vegetables and an orchard. Our mission statement in the ethos we run on `We provide a caring family atmosphere in which children can enjoy learning through play, and parents are actively encouraged to participate. We promote respect and tolerance towards all, and encourage children to build positive and healthy relationships within a safe and welcoming environment.'

**For more information please contact Sharon on 07837 295698 - Come along for a FREE session and meet our dedicated team.**

## Is your child struggling with English?
## . . .Feeling left behind in Maths?

**The good news is with First Class Learning children are gaining the skills and confidence they need to survive in the fast-paced school environment. Parents are noticing the difference:**

Chloe's mum said *'Since starting First Class Learning a couple of months ago, my daughter's maths has improved greatly. . .Here concentration has greatly improved in the last 2 months.*

*'FCL is a different approach and I think a better one . . .my daughter has recently been moved up a set at school for Maths which is a really good confidence boost for her,'* said Megan's mum.

**First Class Learning** can help **your** child **succeed** at school and **grow in confidence.** For a **FREE** consultation contact Centre Managers, Andrew and Sara Wisdom on **01562 68039**

Further information can be found at the website **www.firstclasslearning.co.uk/centres/Kidderminster**

◆ *"One of the major reasons for pupils' success is their excellent personal development, promoted by the very good level of pastoral care the school provides."*

◆ *"Excellent behaviour is the norm."*
***Ofsted November 2008***

We are very proud of our school. Within its secure and friendly environment, we work hard to attain high standards of achievement and behaviour. Each child is recognised as an individual and is valued and encouraged to develop their full potential. We welcome children of all faiths to our school.

A visit to our school is the best way to get to know us and we encourage you to come and gain your own impressions of our school community.

Welcome to **Chaddesley Corbett Endowed Primary School.** We are now in our fourth year as a primary school and we continue to build on our successes.

We aim to help children become successful learners and responsible citizens with the skills necessary to adapt to the fast changing world that we live in.

- School visits and visitors to school provide our children with memorable learning experiences, and close links with the church and village community provide additional exciting opportunities. Through partnership with Lloyds TSB the school is already taking part in the Olympic 2012 build up and looks forward to further events.
- Children enjoy learning in the outdoors using nature's store cupboard and our Forest School status enables them to begin to understand and value the world around them.
- The school provides many extra-curricular opportunities for the children to broaden their experiences. Over the past year or so the children have participated in netball, football, hockey, drama, swimming, German, dance, choir, cooking, photography and ECO clubs, all of which are organised on an after-school basis.
- Children respond well to praise and encouragement and develop respect for themselves and others.
- The school boasts its own swimming pool and all children learn to swim during the year.
- We are looking forward to occupying a newly built school on a new site in the near future that will provide extended facilities and grounds that will add further value to pupils' education.
- Konker Kids provides a positive wrap-around care facility which is really valued by parents.
- On-site Pre-school provides education in the early years of a child's education and close links with the school ensure a smooth transition on their learning journey.
- Education is a partnership and by working together with parents we believe we can ensure our children receive the best chances school life can offer.
- A Parental Forum provides a voice for parents to discuss aspects of school life and make suggestions for improvements.
- The school has an active PTA which raises valuable funds for additional resources through a range of enjoyable activities which the whole community enjoys.
- The Governing Body has an important role to play in the life of the school. Governors are responsible for the strategic overview of the school and are involved in many aspects, such as curriculum policy, discipline procedures, appointment of senior staff and maintaining an overview of the school budget.

We currently have spaces in Key Stages 1 and 2.

Further information about the school and the many learning activities children enjoy can be seen via the school's website - **www.ccschool.co.uk**

We would be delighted to show you our facilities - just ring the school office on **01562 777312** to make an appointment.

## Happy New Year from Riverside Children's Centre!

Our Activities are free and open to families or carers with children aged 0-5 years

Sure Start Children's Centres

**BEWDLEY PRIMARY CATCHMENT AREA. ST ANNES, UPPER ARLEY, FAR FOREST,**
**Stourport Road, Bewdley DY12 1BL**
**01299 409169**

**Now is a good time to think about what you want to achieve this year and how you are going to do it. What would help you achieve your goal?**

If you can answer **'Yes'** to any of the following questions, then we can probably help you do it more easily than struggling on alone.

***Do you want to help prevent accidents to children in your home?***
We offer a **FREE** home safety check and you may be eligible for safety equipment such as stair gates and fire guards, supplied and fitted **FREE**. Everyone is entitled to a **FREE** fire safety check and smoke detector - ask us for details.

***Do you want your money to go further?***
Have a chat with Brett, our Money Matters Advisor. Brett shows families how to get what they are entitled to and how to keep up with payments. You can drop in to meet Brett here - **FREE** - on Wednesdays between 1.30 pm and 4.00 pm, or ask us to make an appointment for you.

***Do you want to get on better with family and friends? Do you want to feel more relaxed?***
Ask us for a **FREE** appointment with Greg, our Family Counsellor. He also runs relaxation group sessions. You will discover the power of a solution-focused approach and practice visualisation that can help you feel more positive, no matter what your circumstances.

***Do you want to have more fun with your children?***
Children challenge - parents know that's a fact! Tell us what's happening and we'll support you to set boundaries with your child, giving you more fun time together.

There are lots of opportunities for you to take advantage of at Riverside, your centre. Full details are on the Parents' notice board in the playroom.

Our goal is to work together to encourage everyone to achieve their best, because your children deserve to be surrounded by the best care possible. Daydream awhile, what would make 2011 your best year yet? Can we help you do it?

**Contact us by telephone on 01299 409169**
**or email: alvynne.curley@barnardos.org.uk**
***All the best from Riverside Team***

Maureen Brewer, the new ladies captain

## Ladies look to build on great year

KIDDERMINSTER Golf Club's women are looking to build on a wonderful 2010 this year.

They retained the West Midland scratch league, won the county centenary cup and had five players in the Worcestershire and Herefordshire county squad.

The club also had three players in the county juniors while Elizabeth Richards won the county juniors girls championship for the second successive year and was also runner-up in the Midlands junior champions tournament for girls under 18.

New ladies captain for 2011 is Maureen Brewer, a club member since 1979 and who has been ladies competiton secretary and match vice-captain.

Meanwhile, 46-year old Paul Massey has been elected club captain, his two-year term in office realising a dream he has held since joining the club as a junior in the mid-70s.

The 11-handicapper has served on various committees for many years and has also distinguished himself as a player, most recently during his captaincy of the club B team in 2008 and 2009.

## Back to action for table toppers

TOP of the table Stourport ladies hockey first XI return to league action this weekend with a tough task.

The side had no fixture last week and subsequently staged a training session. But on Saturday they host Beeston, third in Midland Division One, at The Kingsway.

The fifth XI's start to the second half of its Worcestershire Division Three programme was delayed when the home match against Worcester was called off due to the weather.

The thirds should also have begun their Worcestershire First Division programme last weekend, but visitors Redditch conceded the match to give the home side a 3-0 victory.

### Regret

It was a move Redditch may regret, as they went on to play the game as a friendly and won 4-2.

Both Stourport goals came in the first half, through Louise Marshall and Bethan Merriman.

**Kettering 4 Stourport 3**

Despite fighting back from two down to level in this friendly, Stourport seconds eventually lost by the odd goal in seven.

The home side took the lead on the quarter-hour from a short corner. Things got gloomier for the visitors five minutes later when they conceded, controversially, from another short corner.

But Stourport then converted a short corner of their own. Kate Bailey found Holly Lashford whose shot was turned in by Caroline Sidell.

They equalised five minutes before the break, Sidell this time scoring from open play.

In the second period Kettering again went ahead only for Stourport to get back on level terms again after Jade Marshall-Walker picked up Shelley Tromans' pass to score.

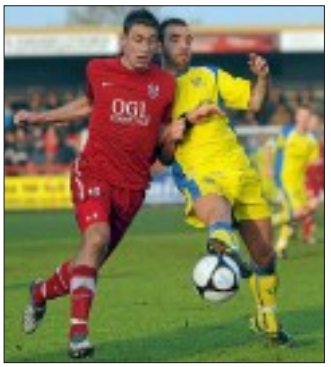

But 10 minutes from time the home team – again from a short corner – went 4-3 up and this time there was no way back for the visitors.

## Farrell runs in consolation try

STOURPORT slipped to a 32-5 home defeat against Aldridge.

Three tries in five second-half minutes settled it but Mark Farrell ran the length of the field for a late try.

# NOW HARRIERS LAY BLUEBIRDS BOGEY

Chris McPhee goes on the attack

Mark Albrighton challenges the keeper

**Kidderminster Harriers 2 Barrow 0**

GOALS from Lee Morris and Chris McPhee ended Kidderminster Harriers' long wait for a victory over bogey side Barrow.

Striker Morris broke the deadlock after 40 minutes on Saturday before transfer listed McPhee sealed the Blue Square Bet Premier points with a late penalty.

Their double act brought down the curtain on Barrow's run of six wins on the bounce against Kidderminster, including a 2-1 success at Holker Street the previous Saturday.

### Thumping

The last time Harriers had beaten the Bluebirds was when they returned home with a thumping 4-0 success under their belts in March, 1999.

The previous occasion they defeated them at Aggborough was in May, 1991, when they won 3-1.

Saturday's victory kept boss Steve Burr's side in touching distance of the play-off places although battling Barrow gave them some anxious moments by having three efforts cleared off the line.

Harriers assistant boss Gary Whild said: "We haven't won against them for a while and I think it was a bit of a relief to get the second goal, which took the pressure off and put the game to bed."

Barrow, without a league win on their travels in 13 attempts this season, made a lively start and within minutes had an effort from Paul Rutherford headed off the line by Lee Vaughan.

Saves by home goalkeeper Danny Lewis kept out shots from Nick Chadwick and Louis Almond before Harriers steadily began to come more into the picture.

Morris had a drive well saved one-handed by visiting goalkeeper Clark Masters before the Kidderminster front-runner bagged his fourth goal of the season with a superbly struck shot that curled into the top corner of the net. In the opening stages of the second half Barrow produced another couple of efforts which were cleared off the line.

Firstly, a flick header from Ciaran Donnelly was kept out by Vaughan while Almond was thwarted by a clearance from Mark Albrighton.

McPhee, however, killed off the Bluebirds with an 85th-minute penalty that took his goals tally so far this term to 10. The spot-kick was awarded after he was brought down by Masters, who was sent off for the offence.

### Expense

Substitute keeper Shaun Pearson was drafted on at the expense of striker Chadwick but was unable to prevent McPhee recording his fourth penalty of the campaign

Kidderminster's leading marksman said: "I decided to go down the middle.

"It went a little bit left, but the goalkeeper had already dived and couldn't keep it out.

"I'd taken the gamble and it was in the back of the net."

**Kidderminster**: Lewis; Vaughan, Briscoe, Albrighton, Williams; Blair (Hankin, 87), Briggs, Byrne, Wright (Gittings, 61); Morris (Shaw, 89), McPhee. **Subs not used:** Stevens, Matt.

**Barrow**: Masters; Spender, Bolland, Mike Pearson, Edwards; Rutherford, Smith (Cook. 76), Owen, Donnelly; Chadwick (Shaun Pearson, 84), Almond. Subs not used: Jones, Goodfellow, Grant.

**Referee**: Andy Hendley (West Mids)

**Attendance**: 1,232.

Lee Morris (9) takes the congratulations for his goal

*Pictures Patrick Mulvaney*

## McPhee may stay on

TRANSFER-LISTED top scorer Chris McPhee may yet stay with Kidderminster to the end of the season.

The highest earner on Harriers' books has been made available by the club. But the 27-year-old turned down a move to Crawley last month and geography is a problem for a player based in Devon with his young family. McPhee is happy to hang on until his contract expires at the end of the season.

He said: "From a personal point of view, nothing really changes for me. As far as I'm concerned, when I cross that white line and I have a Kidderminster shirt on, I'll give everything."

## Still no away points for the Carolians

THIS heavy defeat left Kidderminster Carolians still looking for their first away point of the season.

But they could have no complaints and the try count of six to one in favour of Sils was a fair reflection of their superiority, ***writes Martin Easton.***

**Old Silhillians 36 K'minster Carolians 5**

The home side took charge from the kick-off and with only two minutes on the clock KCs' defence parted to allow the home fly-half to stroll through from a routine set piece for a try under the posts, duly converted.

Disappointingly flat and lethargic, the visitors were struggling to get out of their own half and on the quarter-hour Sils created an overlap to put their left wing in at the corner for a 12-0 lead.

Round about 20 minutes Kidderminster finally got into the home 22-metre section for the first and only time in the half.

But a brief spell of pressure was comfortably repelled and KCs found themselves defending their own line again.

### Trouble

They tried to run their way out of trouble but handling errors and missed kicks to touch meant that the ball kept coming back.

Finally, when a pop pass on their own 22 was knocked on a series of pick and drives ended with a five metre scrum and a third Sils try.

The conversion saw the deficit stretch to 19-0 and Carolians coach Bryan Smallman reacted by making a double substitution, sending on second row Jack Tunstall and utility back Ben Stanier, both returning from long-term injuries.

Ten minutes into the second half Tunstall was yellow carded but KCs' 14 men hit back immediately with a try from acting skipper Jake Evetts.

However, any threat of a comeback was snuffed out five minutes later when a catch and drive gave the home side their fourth try.

They were now cutting loose and moments later touched down under the Kidderminster posts for a converted try.

Trailing 31-5 and with 20 minutes still to play, KCs at last began to make some impression on the game but it still needed a magnificent chase back by Nick Martin to deny Sils a breakaway try when they looked odds on to score.

Back on the attack, another mistake by Carolians on the Sils' 22 led to a repeat scenario but this time Martin could not quite match his earlier remarkable effort and the Sils man just managed to reach the line to seal an emphatic win.

### Readiness

KCs must now regroup in readiness for another tough challenge when they entertain second placed Spartans on Saturday.

**Carolians'** under-15 side took the honours in a three-way meeting with Bromyard and Redditch.

They overcame Redditch 42-7 and beat Bromyard 12-5.

Bromyard beat Redditch 12-8 in the other fixture.

Kidderminster's try scorers were Dan Cooper (3), Mitch Dwyers, Joe Carey Jenkins, James Turner, David Bisset and Miles Perry.

Bisset landed six conversions and Liam Jessop one.

# Samurai march into battle at British trials

JUDO fighters from Kidderminster's Samurai club did battle in the British junior and senior trials at Sheffield.

Samurai fielded four players at Saturday's junior event at the English Institute of Sport. Three of them – Sarah Biles and twins Sally and Rachel Moon – were in the same category, under-70 kilos.

Biles was seeded for a top four finish but has only just returned to full training after a year of illness and injury. She had also been unwell during the week before the event.

The Moon twins were looking to make their mark at this level after a good performance last year in the cadets. Biles and Sally Moon both fought through the pools and into the knockout but Rachel Moon, although fighting well was third in the pool and just missed out.

In the quarter-finals Sally Moon faced a girl she had beaten in the final of the British Nationals in October, but this time conceded a minor score and could not equalise despite some good attacks. Biles ground her way through against the player who had eliminated Rachel Moon, thus avenging her cousin.

But in the semi-final the number one seed caught her with a beautiful throw to end the contest. However, Biles went on to claim the bronze and a place on the squad for the second year running.

Charis Hancocks was the fourth Samurai, in the under-52 kilos category, but although she was winning the battles for grips she could not produce her usual attacks and was eliminated in the pool stage.

On Sunday it was the turn of the full senior players in an event open only to the top eight in each weight category. Biles and Kate Walker were the Samurai in action.

Biles, with a couple of very good efforts against top players, earned a shot at bronze which she dominated. She went close with several groundholds and twice threw her opponent just outside the area only to be caught on a counter throw. She now had to attack all out but could not equalise, finishing fifth overall.

In the under-63 kilos category the top three of Faith Pitman, Sarah Clark and Walker underlined the gap between themselves and the rest.

Walker then faced Pitman and exhaustive video analysis of her opponent paid off for the Samurai who won the judges' verdict in a scoreless encounter. She could not repeat against 2008 Olympian Clark, but finished with silver.

Maureen Brewer, the new ladies captain

## Ladies look to build on great year

KIDDERMINSTER Golf Club's women are looking to build on a wonderful 2010 this year.

They retained the West Midland scratch league, won the county centenary cup and had five players in the Worcestershire and Herefordshire county squad.

The club also had three players in the county juniors while Elizabeth Richards won the county juniors girls championship for the second successive year and was also runner-up in the Midlands junior champions tournament for girls under 18.

New ladies captain for 2011 is Maureen Brewer, a club member since 1979 and who has been ladies competiton secretary and match vice-captain.

Meanwhile, 46-year old Paul Massey has been elected club captain, his two-year term in office realising a dream he has held since joining the club as a junior in the mid-70s.

The 11-handicapper has served on various committees for many years and has also distinguished himself as a player, most recently during his captaincy of the club B team in 2008 and 2009.

## Back to action for table toppers

TOP of the table Stourport ladies hockey first XI return to league action this weekend with a tough task.

The side had no fixture last week and subsequently staged a training session. But on Saturday they host Beeston, third in Midland Division One, at The Kingsway.

The fifth XI's start to the second half of its Worcestershire Division Three programme was delayed when the home match against Worcester was called off due to the weather.

The thirds should also have begun their Worcestershire First Division programme last weekend, but visitors Redditch conceded the match to give the home side a 3-0 victory.

### Regret

It was a move Redditch may regret, as they went on to play the game as a friendly and won 4-2.

Both Stourport goals came in the first half, through Louise Marshall and Bethan Merriman.

**Kettering 4 Stourport 3**

Despite fighting back from two down to level in this friendly, Stourport seconds eventually lost by the odd goal in seven.

The home side took the lead on the quarter-hour from a short corner. Things got gloomier for the visitors five minutes later when they conceded, controversially, from another short corner.

But Stourport then converted a short corner of their own. Kate Bailey found Holly Lashford whose shot was turned in by Caroline Sidell.

They equalised five minutes before the break, Sidell this time scoring from open play.

In the second period Kettering again went ahead only for Stourport to get back on level terms again after Jade Marshall-Walker picked up Shelley Tromans' pass to score.

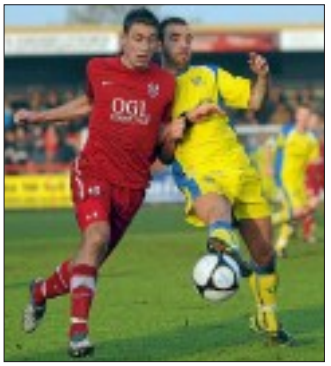

But 10 minutes from time the home team – again from a short corner – went 4-3 up and this time there was no way back for the visitors.

## Farrell runs in consolation try

STOURPORT slipped to a 32-5 home defeat against Aldridge.

Three tries in five second-half minutes settled it but Mark Farrell ran the length of the field for a late try.

# NOW HARRIERS LAY BLUEBIRDS BOGEY

Chris McPhee goes on the attack

Mark Albrighton challenges the keeper

**Kidderminster Harriers 2 Barrow 0**

GOALS from Lee Morris and Chris McPhee ended Kidderminster Harriers' long wait for a victory over bogey side Barrow.

Striker Morris broke the deadlock after 40 minutes on Saturday before transfer listed McPhee sealed the Blue Square Bet Premier points with a late penalty.

Their double act brought down the curtain on Barrow's run of six wins on the bounce against Kidderminster, including a 2-1 success at Holker Street the previous Saturday.

### Thumping

The last time Harriers had beaten the Bluebirds was when they returned home with a thumping 4-0 success under their belts in March, 1999.

The previous occasion they defeated them at Aggborough was in May, 1991, when they won 3-1.

Saturday's victory kept boss Steve Burr's side in touching distance of the play-off places although battling Barrow gave them some anxious moments by having three efforts cleared off the line.

Harriers assistant boss Gary Whild said: "We haven't won against them for a while and I think it was a bit of a relief to get the second goal, which took the pressure off and put the game to bed."

Barrow, without a league win on their travels in 13 attempts this season, made a lively start and within minutes had an effort from Paul Rutherford headed off the line by Lee Vaughan.

Saves by home goalkeeper Danny Lewis kept out shots from Nick Chadwick and Louis Almond before Harriers steadily began to come more into the picture.

Morris had a drive well saved one-handed by visiting goalkeeper Clark Masters before the Kidderminster front-runner bagged his fourth goal of the season with a superbly struck shot that curled into the top corner of the net. In the opening stages of the second half Barrow produced another couple of efforts which were cleared off the line.

Firstly, a flick header from Ciaran Donnelly was kept out by Vaughan while Almond was thwarted by a clearance from Mark Albrighton.

McPhee, however, killed off the Bluebirds with an 85th-minute penalty that took his goals tally so far this term to 10. The spot-kick was awarded after he was brought down by Masters, who was sent off for the offence.

### Expense

Substitute keeper Shaun Pearson was drafted on at the expense of striker Chadwick but was unable to prevent McPhee recording his fourth penalty of the campaign

Kidderminster's leading marksman said: "I decided to go down the middle.

"It went a little bit left, but the goalkeeper had already dived and couldn't keep it out.

"I'd taken the gamble and it was in the back of the net."

**Kidderminster**: Lewis; Vaughan, Briscoe, Albrighton, Williams; Blair (Hankin, 87), Briggs, Byrne, Wright (Gittings, 61); Morris (Shaw, 89), McPhee. **Subs not used:** Stevens, Matt.

**Barrow**: Masters; Spender, Bolland, Mike Pearson, Edwards; Rutherford, Smith (Cook. 76), Owen, Donnelly; Chadwick (Shaun Pearson, 84), Almond. Subs not used: Jones, Goodfellow, Grant.

**Referee**: Andy Hendley (West Mids)

**Attendance**: 1,232.

Lee Morris (9) takes the congratulations for his goal

## McPhee may stay on

TRANSFER-LISTED top scorer Chris McPhee may yet stay with Kidderminster to the end of the season.

The highest earner on Harriers' books has been made available by the club. But the 27-year-old turned down a move to Crawley last month and geography is a problem for a player based in Devon with his young family. McPhee is happy to hang on until his contract expires at the end of the season.

He said: "From a personal point of view, nothing really changes for me. As far as I'm concerned, when I cross that white line and I have a Kidderminster shirt on, I'll give everything."

# Still no away points for the Carolians

THIS heavy defeat left Kidderminster Carolians still looking for their first away point of the season.

But they could have no complaints and the try count of six to one in favour of Sils was a fair reflection of their superiority, ***writes Martin Easton.***

The home side took charge from the kick-off and with only two minutes on the clock KCs' defence parted to allow the home fly-half to stroll through from a routine set piece for a try under the posts, duly converted.

**Old Silhillians 36 K'minster Carolians 5**

Disappointingly flat and lethargic, the visitors were struggling to get out of their own half and on the quarter-hour Sils created an overlap to put their left wing in at the corner for a 12-0 lead.

Round about 20 minutes Kidderminster finally got into the home 22-metre section for the first and only time in the half.

But a brief spell of pressure was comfortably repelled and KCs found themselves defending their own line again.

### Trouble

They tried to run their way out of trouble but handling errors and missed kicks to touch meant that the ball kept coming back.

Finally, when a pop pass on their own 22 was knocked on a series of pick and drives ended with a five metre scrum and a third Sils try.

The conversion saw the deficit stretch to 19-0 and Carolians coach Bryan Smallman reacted by making a double substitution, sending on second row Jack Tunstall and utility back Ben Stanier, both returning from long-term injuries.

Ten minutes into the second half Tunstall was yellow carded but KCs' 14 men hit back immediately with a try from acting skipper Jake Evetts.

However, any threat of a comeback was snuffed out five minutes later when a catch and drive gave the home side their fourth try.

They were now cutting loose and moments later touched down under the Kidderminster posts for a converted try.

Trailing 31-5 and with 20 minutes still to play, KCs at last began to make some impression on the game but it still needed a magnificent chase back by Nick Martin to deny Sils a breakaway try when they looked odds on to score.

Back on the attack, another mistake by Carolians on the Sils' 22 led to a repeat scenario but this time Martin could not quite match his earlier remarkable effort and the Sils man just managed to reach the line to seal an emphatic win.

### Readiness
